

# **ALTERNATIVE PENSION REFORM SETTLEMENT FRAMEWORK**

## **(Evidence Code Section 1152)**

### **Settlement Discussion Framework Language**

*The City of San Jose, AFSCME, Local 101 (on behalf of its chapters, the Municipal Employees' Federation, the Confidential Employees' Organization), the Association of Engineers and Architects, the Association of Maintenance Supervisory Personnel, the City Association of Management Personnel, and the Operating Engineers, Local 3 ("the Litigants") have engaged in settlement discussions concerning litigation arising out of a voter-approved ballot measure, known as Measure B. The Litigants have reached the below framework for a tentative settlement of American Federation of State, County, and Municipal Employees v. City of San Jose, Santa Clara Superior Court, No. 1-12-CV-227864, Harris, et. Al. v. City of San Jose, et. al., Santa Clara County Superior Court, No. 1-12-CV-226570, Mukhar, et. Al. v. City of San Jose, Santa Clara County Superior Court, No. 1-12-CV-226574), International Federation of Professional and Technical Engineers vs. City of San Jose, Public Employment Relations Board Unfair Practice No. SF-CE-996-M, American Federation of State, County and Municipal Employees vs. City of San Jose, Public Employment Relations Board Unfair Practice No. SF-CE-924-M, Operating Engineers, Local 3 vs. City of San Jose, Public Employment Relations Board Unfair Practice No. SF-CE-900-M, and various other actions, including grievances. This settlement framework shall be presented for approval by the City Council and the respective Union Board of Directors.*

*Although the Association of Legal Professionals, the Association of Building, Mechanical, and Electrical Inspectors, and the International Brotherhood of Electrical Workers (“Non-Litigants”) are not plaintiffs in a legal challenge to Measure B, these bargaining units also agree to the settlement framework as listed below and will present this framework to their members for approval. Litigants and Non-Litigants will be referred to collectively as “The Parties”*

*It is understood that this settlement framework is subject to a final overall global settlement. In the event the settlement framework is not accepted, all Parties reserve the right to modify, amend and/or add proposals. Each individual item contained herein is contingent on an overall global settlement/agreement being reached on all terms, by all Parties and other litigants (including the retirees), and ratified by union membership and approved by the City Council.*

## **Retirement Memorandum of Agreement**

1. The Parties (the City of San Jose, the Association of Building, Mechanical, and Electrical Inspectors (ABMEI), the Association of Engineers and Architects (AEA), the Association of Legal Professionals (ALP), the Association of Maintenance Supervisory Personnel (AMSP), the City Association of Management Personnel (CAMP), the Confidential Employees’ Organization (CEO), the International Brotherhood of Electrical Workers (IBEW), the Municipal Employees’ Federation (MEF), and the Operating Engineers, Local 3 (OE#3)) shall enter into a Retirement Memorandum of Agreement to memorialize all agreements related to retirement. The Retirement MOA shall expire June 30, 2025.
2. The Retirement MOA will be a binding agreement describing the terms of the final agreement between the parties (ABMEI, AEA, ALP, AMSP, CAMP,

CEO, IBEW, MEF and OE#3) and will be subject to any agreed-upon reopeners herein.

**The current Tier 2 retirement plans for Federated employees will be modified as follows:**

1. Pension benefit will be 2.0% per year of service
2. One year of service will be 2080 hours. Pensionable pay will be the same as Tier 1 employees.
3. Retirement Age
  - a. The eligible age for an unreduced pension benefit will be age 62
  - b. The eligible age for a reduced pension benefit will be age 55. The reduction for retirement before age 62 will be 5% per year, prorated to the closest month.
4. 70% cap
  - a. The maximum pension benefit will be 70% of an employee's final average salary
5. Three-year final average salary
6. A member is vested after 5 years of service
7. No retroactive defined benefit pension increases or decreases
  - a. Any such changes in retirement benefits will only be applied on a prospective basis.
8. No pension contribution holiday for the City or the employee
9. Final compensation means base pay actually paid to a member and shall not include premium pay or any other forms of additional compensation
10. Current Tier 2 Federated employees will retroactively be moved to the new Tier 2 retirement benefit plan except as provided in Paragraph 18 (returning Tier 1).

- a. Any costs, including any unfunded liability, associated with transitioning current Tier 2 employees into the restructured Tier 2 benefit will be amortized as a separate liability over a minimum of 20 years and split between the employee and the City 50/50. This will be calculated as a separate unfunded liability and not subject to the ramp up increments of other unfunded liability.
11. Removal of language limiting vesting of benefits from City Charter (Section 1508-A (h))
  12. Tier 2 cost sharing
    - a. Employees and the City will split the cost of Tier 2 including normal cost and unfunded liabilities on a 50/50 basis
    - b. In the event an unfunded liability is determined to exist for the Federated Tier 2 retirement plan, Tier 2 employees will contribute toward the unfunded liability in increments of 0.33% per year until such time that the unfunded liability is shared 50/50 between the employee and the employer.
    - c. Until such time that the unfunded liability is shared 50/50, the City will pay the balance of the unfunded liability.
  13. Cost of Living Adjustment (COLA)
    - a. Tier 2 retirees will receive an annual cost of living adjustment based on the Consumer Price Index – Urban Consumers (San Francisco-Oakland-San Jose, December to December) (“CPI”) or a back-loaded 2.0% COLA (as described below), whichever is lower. The back-loaded COLA shall be calculated as follows:
      - i. Service at retirement of 1-10 years: 1.25% per year
      - ii. Service at retirement of 11-20 years: 1.5% per year
      - iii. Service at retirement of 21-25 years: 1.75% per year
      - iv. Service at retirement of 26 years and above: 2.0% per year

- b. In the first year of pension benefits, the COLA will be pro-rated based on the date of retirement
- c. Current Tier 2 employees as of the date of this agreement will receive an annual cost of living adjustment of the lower of CPI (as defined above) or 1.5% per year for service at retirement of 1-10 years. After 10 years of service, employees will receive an annual cost of living adjustment in retirement pursuant to Section 13(a) above.

14. Disability Benefit (Tier 2)

- a. A Tier 2 member who is approved by the independent medical review panel for a service-connected disability retirement is entitled to a monthly allowance equal to:
  - i.  $2\% \times \text{Years of Service} \times \text{Final Compensation}$ , with a minimum of 40% and a maximum of 70% of Final Compensation.
- b. A Tier 2 member who is approved by the independent medical review panel for a non-service connected disability is entitled to a monthly allowance equal to:
  - i.  $2\% \times \text{Years of Service} \times \text{Final Compensation}$ , with a minimum of 20% and a maximum of 70% of Final Compensation.

15. If there is any Tier 1 or Tier 2 benefit not mentioned in this framework, the parties agree to meet to discuss whether or not that benefit should be included in the Tier 2 benefit.

16. Tier 2 members eligible for retirement will be provided with 50% Joint and Survivor benefits, which provide 50% of the retiree's pension to the retiree's surviving spouse or domestic partner in the event of the retiree's death after retirement.

- a. Tier 2 members eligible for retirement will be provided with survivor benefits in the event of death before retirement. These benefits will

be the same as Tier 1 members but reduced to reflect the new 70% pension cap versus the current 75% pension cap.

17. Tier 2 members not eligible for retirement at the time of death will be provided with survivor benefits of a return of employee contributions, plus interest in the event of death before retirement
18. Former Tier 1 Federated City employees who have been rehired since the implementation of Tier 2 or rehired after the effective date of a tentative agreement based on this framework will be placed in Tier 1
  - a. Any costs, including any unfunded liability, associated with transitioning current Tier 2 employees who were former Tier 1 City employees who have since been rehired will be amortized as a separate liability over a minimum of 20 years and split between the employee and the City 50/50. This will be calculated as a separate unfunded liability and as Tier 1 employees these members are not subject to a ramp up in unfunded liability.
  - b. Any lateral hire from any other pension system who transfers as a "Classic" employee under PEPRA, regardless of tier, will be placed in Tier 1.
  - c. Any lateral hire from any other pension system who transfers as a "new" employee under PEPRA will be placed in Tier 2.
19. Tier 2 members will be provided the same service repurchase options as Tier 1 members (excluding purchases of service credit related to disciplinary suspensions) so long as all costs for the repurchase are paid for by the employee.

**Retiree Healthcare - All provisions below are contingent on final costing by the City's Actuary and review for legal and/or tax issues**

1. The parties will implement a defined contribution healthcare benefit in the form of a Voluntary Employee Beneficiary Association (VEBA). The plans would not provide any defined benefit, would not obligate the City to provide any specific benefit upon member retirement, and therefore create no unfunded liability. This agreement does not require the City to contribute any future funds to an employee's VEBA, nor does it preclude an agreement to allow future City contributions
2. New lowest cost medical plan
  - a. Kaiser NCAL 4307 Plan (305/\$3,000 HSA-Qualified Deductible HMO Plan) will be adopted as the new lowest cost healthcare plan, for active and retired members
  - b. The City will continue the cost sharing arrangement for active employees of 85% of the lowest cost non-deductible HMO plan
  - c. "Floor": The "lowest cost plan" for any current or future retiree in the defined benefit retirement healthcare plan shall be set that it may not be lower than the "silver" level as specified by the current Affordable Care Act in effect at the time of this agreement. This "Floor" specifically includes the provision that the healthcare plan must be estimated to provide at least 70% of healthcare expenses as per the current ACA "silver" definition.
  - d. Any changes to the "Floor" shall be by mutual agreement only.
3. Potential Tier 1 opt-out
  - a. So long as it is legally permitted, Tier 1 employees may make a one-time election to opt-out of the defined benefit retiree healthcare

plan into an appropriate vehicle for the funds, i.e. a Voluntary Employee Beneficiary Association (VEBA). Members of the current defined benefit plans will be provided with one irrevocable opportunity to voluntarily “opt out” of the current retiree medical plan. Those members who “opt out,” and are thus not covered by the City defined benefit retiree medical plan, will be mandated to join the VEBA plan.

4. Continue enrollment in Medicare Parts A and B as required by any applicable federal regulations or by insurance providers. The enrollment period for Medicare Parts A and B shall begin three months before the retiree’s 65th birthday, continue through the month of birth, and conclude three months after the retiree’s 65<sup>th</sup> birthday.
5. The current defined benefit retiree healthcare plan is modified to enable retired members to select an “in lieu” premium credit option. At the beginning of each plan year, retirees can choose to receive a credit for 25% (twenty-five percent) of the monthly premium of the lowest priced healthcare and dental plan as a credit toward future member healthcare premiums in lieu of receiving healthcare coverage. On an annual basis, or upon qualifying events described in the “special enrollment” provisions of the Health Insurance Portability and Accountability Act of 1996, retirees and their spouses/dependents can elect to enroll in a healthcare plan or continue to receive an “in lieu” premium credit. Enrollees receiving in lieu credit at any tier other than retiree only must verify annually that they are still eligible for the tier for which they are receiving the in lieu credit. If a member selects the “in-lieu” premium credit, but the member, their survivor or beneficiaries never uses their accumulated premium credit, the accumulated credit is forfeited. At no time can a member or

survivor/beneficiary take the credit in cash or any form of taxable compensation. There is no cap on the size of the accumulated credit.

6. Members of the VEBA and their spouses/dependents, during retirement, may also elect to enter or exit unsubsidized coverage on an annual basis or upon a qualifying event (however, members in the VEBA will not receive an "in lieu" benefit).
7. The VEBA contribution rate for all members who opt out of the defined benefit plan and are mandated to join the VEBA plan will be 4.5% of base pay.
8. Any former Tier 1 employee who was rehired into Tier 2 will be treated as Tier 1 for pension and Tier 2 for retiree healthcare.
9. All Tier 2A employees (except those represented by OE#3) will mandatorily be removed from the Defined Benefit retirement healthcare plan and will be mandated to contribute 2% of base pay to the VEBA. ***This will occur as soon as practical from implementation of the agreement and does not need to wait for implementation of any other retiree healthcare provision.*** The City may transfer funds from the 115 Trust to the members' VEBA plan account to the extent permitted by federal tax law and subject to receipt of a favorable private letter ruling. If this occurs, an amount estimated to equal the member's prior retiree healthcare contribution, with no interest included, will be contributed to the VEBA.
10. Tier 2A employees represented by OE#3, so long as it is legally permitted, may make a one-time election to opt-out of the defined benefit retiree healthcare plan into an appropriate vehicle for the funds, i.e. a Voluntary Employee Beneficiary Association (VEBA). Members of the current defined benefit plans will be provided with one irrevocable opportunity to voluntarily "opt out" of the current retiree medical plan. Those members who "opt out," and are thus not covered by the City defined

benefit retiree medical plan, will be mandated to join the VEBA plan. Tier 2A employees represented by OE#3 who remain in the Defined Benefit retirement healthcare plan will contribute 7.5% of their pensionable payroll into the plan. The VEBA contribution rate for all Tier 2A employees represented by OE#3 who opt out of the defined benefit plan and are mandated to join the VEBA plan will be 4.5% of base pay.

11. All Tier 2B employees will be mandated to contribute 2% of base pay to the VEBA.
12. All Tier 2C employees will be automatically removed from the dental benefit plan and will be mandated to contribute 2% of base pay to the VEBA. ***This will occur as soon as practical from implementation of the agreement and does not need to wait for implementation of any other retiree healthcare provision.*** The City may transfer funds from the 115 Trust to the members' VEBA plan account to the extent permitted by federal tax law and subject to receipt of a favorable private letter ruling. If this occurs, an amount estimated to equal the member's prior retiree healthcare contribution, with no interest included, will be contributed to the VEBA.
13. Members who remain in the Defined Benefit retirement healthcare plan will contribute 7.5% of their pensionable payroll into the plan. The City will contribute the additional amount necessary to ensure the Defined Benefit retirement healthcare plan receives its full Annual Required Contribution each year. If the City's portion of the Annual Required Contribution reaches 14% of payroll, the City may decide to contribute a maximum of 14%.
14. The parties have been advised that the difference between the defined benefit contribution rate (7.5%) and the VEBA opt-out contribution rate (4.5%) will be taxable income.

15. Upon making such an irrevocable election to opt-out of the defined benefit retiree healthcare plan, an amount estimated to equal the member's prior retiree healthcare contribution, with no interest included, will be contributed by the City to the member's VEBA plan account (pending costing and tax counsel advice). In making these contributions, the City may transfer funds from the 115 Trust to the members' VEBA plan account to the extent permitted by federal tax law and subject to receipt of a favorable private letter ruling. If it is determined by the IRS that the funds may not come out of the 115 trust, the parties will meet and confer regarding the opt-out and whether or not it can be implemented through other means. In addition, if the amount needed based on the number of employees who chose to opt out is more than the funds in 115 trust, the parties will also meet and confer. Members will be provided with individual, independent financial counseling to assist them with any decisions to remain in or "opt out" of the defined benefit retiree medical plan.
16. Pending legal review by tax counsel, deferred-vested Tier 1 members who return to San José will be given a one-time irrevocable option to "opt out" of the defined benefit retirement healthcare option. Upon choosing to "opt out", they will become a member of the VEBA and their VEBA account will be credited for an amount estimated to equal the member's prior retiree healthcare contribution, with no interest included. If they choose not to "opt out", they will return to the Defined Benefit retirement healthcare plan.
17. Catastrophic Disability Healthcare Program –Members of the VEBA who receive service-connected disability retirements will be eligible for 100% of the single premium for the lowest cost plan until the member is eligible for Medicare (usually age 65).

- a. Qualifications - The member must not be eligible for an unreduced service retirement.
- b. The member must exhaust any funds in their VEBA account prior to becoming eligible for the Catastrophic Disability Healthcare Program.
- c. Upon reaching Medicare eligibility, the benefit will cease
- d. Any retiree who qualifies must submit on an annual basis an affidavit verifying that they have no other employment which provides healthcare coverage.
- e. If a retiree is found to have other employment which provides healthcare coverage, their eligibility to participate in the Catastrophic Disability Healthcare Program will automatically cease, subject to re-enrollment if they subsequently lose said employment-provided healthcare coverage.

### **Disability Definition and Process**

1. Reinstate the previous City definition for disability for all Federated employees.
2. Applications for disability must be filed within one month of separation from City service subject to the exceptions reflected in Municipal Code §3.28.1240
3. All applicants must submit medical paperwork indicating the initial nature of their disability including the affected body part if applicable, the current level of disability, and current treatments underway. Such medical paperwork must be filed within one year of separation unless the independent medical review panel grants a longer deadline due to extenuating circumstances.

4. Applications for disability may not be deferred by the applicant past four (4) years of the date of application submittal, unless the independent medical review panel grants a longer deadline due to extenuating circumstances.
5. The member and the City may have legal representation at hearings.
6. Independent panel of experts appointed by 4 of 7 retirement board members will evaluate and approve or deny disability retirement applications
  - a. Using the established Request for Proposal process, the retirement boards will recruit potential members of the independent medical panel.
  - b. Each member shall have a four-year term and meet the following minimum qualifications:
    - i. 10 years of practice after completion of residency
    - ii. Practicing or retired Board Certified physician
    - iii. Not a prior or current City employee
    - iv. No experience providing the City or retirement boards with medical services, except for prior service on medical panel
    - v. No experience as a Qualified Medical Evaluator or Agreed Medical Evaluator
    - vi. Varying medical experience
  - c. A panel of three independent medical experts will decide whether to grant or deny all disability applications, whether service or non-service connected. The panel's decision will be made by majority vote.
  - d. Upon its own motion or request, the independent medical panel may determine the status of a disability retirement recipient to

confirm that the member is still incapacitated or if the member has the ability to return to work.

7. Administrative law judge

- a. A decision to grant or deny the disability retirement made by the independent medical panel may be appealed to an administrative law judge.
- b. Applicant or City has forty-five (45) days to appeal a decision made by the independent medical panel. The appeal hearing must commence within ninety (90) days of the notice of appeal, unless a later date is mutually agreed to by the parties.
- c. The decision rendered by the administrative law judge is to be based on the record of the matter before the independent medical review panel.
- d. The decision of the administrative law judge will be a final administrative decision within the meaning of Section 1094.5 of the California Code of Civil Procedure.

8. Workers' Compensation Offset

- a. The workers' compensation offset currently in place for Federated Plan participants will continue for Tier 1 and Tier 2.

**Supplement Retiree Benefit Reserve (SRBR)**

1. Continue elimination of SRBR

- a. The funds credited to the SRBR will continue to be credited to the Federated City Employees' Retirement System to pay for pension benefits

2. City will replace SRBR with guaranteed purchasing power (GPP) provision for all Tier 1 retirees, prospectively. The GPP is intended to

maintain the monthly allowance for Tier 1 retirees at 75% of purchasing power effective with the date of the retiree's retirement

- a. Beginning January 2016 and each January thereafter, a retiree's pension benefit will be recalculated annually to determine whether the benefit level (including any increases due to cost of living adjustments) has kept up with inflation as measured by the CPI-U (San Francisco-Oakland-San Jose). The actual benefit level will be compared to what would have been required to maintain the same purchasing power as the retiree had at the time of retirement, with a CPI-based increase.
- b. Those Tier 1 retirees whose benefit falls below 75% of purchasing power will receive a supplemental payment that shall make up the difference between their current benefit level and the benefit level required to meet the 75% GPP.
- c. The supplemental GPP payment to qualifying retirees will be paid annually in a separate check, beginning February 2016, and each February thereafter.
- d. The number of Tier 1 retirees whose benefit level was below 75% GPP at the time of costing was approximately 68.
- e. In the event of litigation by a retired member or members of the Federated bargaining units challenging this provision of the Settlement Agreement against a Federated bargaining unit, the Unions will have a right to tender the defense of the litigation to the City. City will accept the defense of the litigation and will defend the Federated bargaining unit with counsel of City's choice, including the City Attorney's Office. If the City is also named defendant in any such suit, Unions will not claim that joint representation of either or both of them and the City constitutes a legal conflict for the

attorney(s) defending the suit. This defense obligation will not apply to lawsuits challenging or in any way relating to this provision filed more than five years after the effective date of this agreement.

### **Attorney's Fees**

1. \$1.257 million to the litigants (AFSCME-MEF and CEO; IFPTE Local 21-AEA, AMSP and CAMP; and OE#3) within 30 days of the settlement framework being approved by Council in open session.
  - a. AFSCME (MEF and CEO) shall not be entitled to any more in Attorneys' Fees and expenses related to the litigation and resolution of Measure B, and are not entitled to final and binding arbitration regarding Attorney's Fees.
  - b. The City and IFPTE Local 21 (AEA, AMSP and CAMP) and OE#3 agree to final and binding arbitration to resolve additional claims over attorneys' fees and expenses related to the litigation and resolution of Measure B.
    - i. The arbitration will be before a JAMS judge formerly of San Francisco or Alameda County
    - ii. The City shall pay the arbitrator's fees and costs, including court reporter
    - iii. The parties agree that the issue presented shall be: Whether IFPTE Local 21 (AEA, AMSP and CAMP) and OE#3 are entitled, under binding statutory or common law basis, to additional attorneys' fees and/or expenses related to litigation and resolution of Measure B? If so, in what amounts?

## Quo Warranto/Ballot Measure Implementation Plan

1. The Federated bargaining units (ABMEI, AEA, ALP, AMSP, CAMP, CEO, IBEW, MEF and OE#3) agree to work collaboratively with the City to develop a ballot measure, which, if the quo warranto process (as defined in the Settlement Framework and Proposed Quo Warranto Implementation Plan) succeeds, will supersede Measure B with the following (1) a provision requiring voter approval of defined benefit pension enhancements, (2) a provision requiring actuarial soundness, (3) a provision prohibiting retroactivity of defined benefit pension enhancements, and (4) any other provisions contained in the Settlement Framework that the parties mutually agree to, for inclusion in a 2016 ballot measure that will incorporate any such provisions into the City Charter. Once the parties mutually agree to the language, all the Federated bargaining units shall endorse the ballot measure.
2. As agreed upon by the City and the Federated bargaining units (ABMEI, AEA, ALP, AMSP, CAMP, CEO, IBEW, MEF and OE#3), the proposed quo warranto implementation plan shall be followed by the parties in the manner described below.

Step	Time	Action
1.	Immediately upon signature of the Framework by the litigants	Parties ask for a stay in appellate proceedings (Lucas ruling). AFSCME (MEF and CEO), IFPTE (AEA, AMSP and CAMP), and OE#3 will also ask for a stay in the PERB proceedings until March 31, 2016. So long as the quo warranto process is still ongoing, the stay will be continued on a quarterly basis until the conclusion of the quo warranto process.
2.	Upon ratification of Federated/Retirees Deal	Global Settlement Addendum Agreement on quo warranto process: <ul style="list-style-type: none"> <li>• Global settlement involving all litigants (including retirees) and bargaining unit representatives</li> <li>• Entered into for purposes of settlement</li> </ul>

		<ul style="list-style-type: none"> <li>• Except as otherwise provided in the stipulated order and judgment described below no admission of wrongdoing, including no admission that the City acted in bad faith</li> <li>• Non-precedential for any purpose</li> </ul>
3.	Immediately after #2	Begin drafting ordinances. Begin identifying ordinances implemented as a result of Measure B.
5.	Immediately after #2	Parties negotiate charter language, pursuant to Section 1 above under “Quo Warranto/Ballot Measure Implementation Plan,” simultaneous with agreement on stipulated facts, order and judgment.
6.	Simultaneous with #5	<p>Although the Federated Bargaining Units are not parties to the pending litigation in Santa Clara Superior Court Case No. 1-13-CV-245503 (“Quo Warranto Case”), the Federated Bargaining Units will support the City and SJPOA’s Proposed Stipulated Facts, Order and Proposed Stipulated Judgment in the Quo Warranto Case (for purposes of settlement only)</p> <p>Outline of stipulated facts and findings:</p> <ul style="list-style-type: none"> <li>• history of negotiations including agreement on impasse as of 10/31, number of negotiation sessions, and use of mediation;</li> <li>• changes to the proposed ballot language, including post-impasse changes;</li> <li>• tension between City’s powers and MMBA and effort to harmonize through Seal Beach negotiations—as described on pages 3-4 of Attorney General opinion No. 12-605.</li> <li>• language from AG decision to grant QW based on the question of whether impasse had been broken by post-impasse ballot changes made by City and whether City Council needed to negotiate further (the inherent powers vs. MMBA issue);</li> <li>• the cost and time and risks of litigating QW, including appeals and the issue of whether a decision in QW case would be universally applicable;</li> <li>• the desirability of finding a solution that is collaborative</li> <li>• financial challenges facing City and retirement funds - desire on part of employees, retirees and City to make benefits sustainable;</li> <li>• Stipulated Order that City should have engaged in further negotiation of final language before putting on ballot to comply with MMBA obligations and failure to do so was a procedural defect significant enough to declare null and void Resolution placing Measure B on ballot; This order will not include a finding that the City acted in bad faith.</li> </ul>

10.	Third Party Litigation	All Federated bargaining units (except ALP) agree to oppose any third party litigation challenging the invalidation of Measure B through the quo warranto process either by joining the litigation or by petitioning to file an Amicus Brief.
11.	Immediately upon: (1) retirees not settling their litigation; or (2) quo warranto process not succeeding in invalidating Measure B	Craft ballot measure to implement all aspects of Settlement Framework agreed to by the Federated bargaining units for placement on the ballot in November 2016. The Parties will begin this process immediately in January 2016 if either the retirees have not settled or the quo warranto process has not been completed.

This settlement framework is an outline of the agreement reached by the parties that will need to be implemented through various means, such as ordinances. Successful implementation of this agreement will satisfy and terminate the "Retirement (Pension and Retiree Healthcare) Reopener" agreed upon by the Federated bargaining units.

The Federated Bargaining Units and the City shall in good faith work toward implementing this agreement, and neither party shall take any action to undermine or subvert the terms and benefits provided by this agreement.
